#### Tenth Amicus – Censorship Equals Genocide – Look Around

I must comment on Center for Democracy & Technology v. Trump (1:20-cv-01456) District Court, District of Columbia Judge Dabney Langhorne Friedrich (Let's be honest. For profit media companies are suing Trump. They are using the First Amendment, at this point in time, because it is profitable. Pardon my language but they don't give a f\*\*\* about the First Amendment unless it is profitable. They are whores.) (It seems I have an anger issue and I do because I am watching my fellow Americans die because of Censorship.)

The Pandemic, the Social Unrest and the Economic Collapse of the World's Economy are the direct result of Censorship. What is taking place is the Genocide of Mankind.

The First Amendment is crucial to our survival and yet everyone censors us. Look around. We are past the precipice of hell and accelerating.

At one time I had multiple websites, multiple YouTube accounts with over 750 videos, multiple Twitter accounts, multiple Facebook accounts, etc. and all have been removed from the internet. 99% of what I did on the internet has been sanitized and censored. I don't exist.

The Federal Judiciary censors me in violation of the Constitution.

The Complaint is frivolous, for profit and more sinisterly it is political. It is arrogant for them to think that they have a right to decide what "Free Speech" is. Everything on the internet is about marketing. Everyone is trying to sell you something. All of the media companies sell your information. They want to censor anything that hurts their profits. What the media companies have done is infinitely more harmful than what Trump has done. If Mankind is to survive, we have to have an uncensored America.

If the media companies want to "comment" and "criticize" then it has to be nondiscriminatory, nonbiased and nonprejudicial. They must "comment" and "criticize" everyone or no one.

Here is the Introduction from the Complaint: 1. *"President Trump's May 28, 2020 "Executive Order on Preventing Online Censorship" ("Executive Order") violates the First Amendment in two fundamental respects: First, the Order is plainly retaliatory: it attacks a private company, Twitter, for exercising its First Amendment right to comment on the President's statements. Second, and more fundamentally, the Order seeks to curtail and chill the constitutionally protected speech of all online platforms and individuals—by demonstrating the willingness to use government authority to retaliate against those who criticize the government."*

All you have to do is read The New York Times and FOX News to understand why we are screwed. They publish pure propaganda for profit and they truly don't care who lives or dies.
